BIO: BRANDON GRIMES

Brandon Grimes currently serves as a Senior Lead Engineer and ICS Cybersecurity SME at Booz Allen Hamilton. Prior to joining Booz Allen Hamilton, Brandon directed DHS\CISA's ICS Hunt and Incident Response engagements, SME support, and R&D efforts. During this time as an individual reserve augmentee, Brandon also supported MARFORCYBER's ICS training, modeling, and development efforts as an SME. Prior to his post a DHS\CISA, Brandon served Army NETCOM civilian employee for 5 years, beginning at Fort Drum where he served as a systems administrator managing ICS systems on behalf of Army IMCOM.
